LAST NIGHT'S BOWLING.

Y. M. C. A. Defeated the A. F. C. in a Slow Game.

No records were broken on the A. F. C. alleys last night. In fact the contest showed neither team to be in good form.

The A. F. C. aggregation won the first game by one pin. Then the Portland Y. M. C. A. players let out their braces and took two games easily, the local bowlers flunking badly. The fourth game was a tie. The contest ended with 529 points to the credit of the Y. M. C. A. while the A. F. C. scored but 571. The A. F. C. team beat the winning score last week on strange alleys, in Portland.

Capen and Richards, of the visitors bowled the only picturesque games, the former making 194, and the latter 192. Sovey made the best single high score for the Astorians, while Hardesty made the best individual score.

The A. F. C. team banqueted the visitors at the Palace restaurant. All thoroughly enjoyed the bout.

SELF Reliance

is necessary to success. Students of "Armstrong's Combined Theory and Practice of Bookkeeping" acquire this. They begin by writing up a model set of books prepared to illustrate the science of accounts. Each step in this work is fully explained by the teacher. In disposing of a complicated transaction after that, the student refers to an entry in this model set containing similar conditions, and studies out the application himself—the teacher seeing that the work is done correctly. The student thus develops into a self-reliant thinker. Investigate this new method of teaching. It makes bookkeeping easy. Call, or write.

ONE HOUR A DAY.

A Suggestion How to Increase the Pleasures of Life

This suggestion is only meant for people who love music. If you do not like music don't read this. No doubt you have attended a concert given by some great musician like Paderewski, Sauer, Rosenthal, Mills or Von Bulow. You have paid a good sum for an hour's enjoyment of good music. You have gone home benefited, pleased, blessed and ennobled by the exciting effect of magnificent music. Why don't you add at least one hour like that to every day of your life? You can readily do it. The means and opportunity are at hand. Buy a Pianola and put it in your house. The Pianola does all the fingering for you, and by means of it you can immediately, without previous practice, play on any piano any piece that has ever been written. You can play for yourself everything that you heard Paderewski or any one else play. You will be astonished.
